Welcome to Kramer Angus. We thank you for your interest in our program and these cattle.

We are a family-run operation dedicated to producing high-quality Angus cattle.

We believe in cattle that are problem free, structurally correct with good feet and legs, maintain themselves on minimal inputs, and are profitable for their owners. The cow herd is culled for udder and disposition problems. Top Line Farm, Tremont, IL, is a genetic supplier of four bull lots.

New this year, we are offering an exceptionally good group of 18 to 19-month-old bulls, along with a fantastic set of yearling bulls. They are fed a cool diet and free-choice grass hay designed for a 3 lb. gain. We have had a lot of customers comment on how well our bulls hold up after turnout, because of the way they are developed on a dry feed. The bulls that post high yearling weights do so because of genetics, not full feed! Efficiency DOES MATTER!!

We are offering a special group of fall-calving bred heifers. Exceptional in quality and cow potential, with a few potential donors in the mix. Help yourself here!

Special thanks to my wife of 23 years, Vickey, for her love and support. Thanks to Jason Hooks, Steve Vogel, and Colten Payne for their continued dedication and hard work to keep this operation going.

I hope you can all attend the sale and see for yourself why we are so proud of this year's sale offering. If not, give us or the Hall a call, or you can watch and bid on DV Auctions. If we can be of further assistance, please don't hesitate to call.

An exciting and promising prospect from the herd sire producing Evergreen Erica family established at Kramer Angus more than half a century ago.

Featuring a combination of calving-ease with performance and phenotype, this outstanding bull balances a modest individual birth ratio of 81 with individual weaning and yearling ratios of 103 and 105, respectively. His sire, Basin Payweight 1682, is a featured member of the ABS Global AI

Stud who ranks among the most popular sires in the industry today. The dam of this bull balances a progeny birth ratio of 90 with a progeny weaning ratio of 102 on four calves and a progeny yearling ratio of 105 on three head. The maternal grandsire of this bull is the proven Pathfinder Sire Sitz Upward 307R who has led the breed for annual registrations. Kramers Network 802, a maternal brother to the dam of this bull, sold one-third interest for \$25,000 as the featured Lot 1 and one-time record-selling Kramer bull through the 2009 Kramer Sale and went on to be featured in the Cattle Visions AI organization. This bull is from the same prolific family that also produced Kramers Apollo 317 who sold one-half interest for \$53,000 to Krebs Ranch as the one-time record-selling bull of the 2014 Kramer Sale, Kramers Enforce 5006, the \$87,500 record-selling Kramer bull who topped the 2016 Kramer Sale to a group of leading breeders, Kramers D9 411, the \$25,500 top-selling Lot 1 bull of the 2015 Kramer Sale to Double R Bar Ranch, and KF Precision 361, the many-time champion known as Banjo.

KRAMERS ENFORCE 5006 - \$87,500 record-seller from the Evergreen Erica family.

KRAMERS D9 411 - \$25,500 top-seller from the Evergreen Erica family.

KRAMERS APOLLO 317 - \$53,000 record-seller from the Evergreen Erica family.

KRAMER PAYWEIGHT BULLS

KRAMERS PAYWEIGHT 736 - Lot 2

This impressive son of the popular ABS Global sire Basin Payweight 1682 was produced from a daughter of the 2011 National Western Reserve Grand Champion Female, Top Line Lady 9111, who has produced a multitude of top-selling and championship descendants. This bull was produced as the first calf from a 2-year-old dam by the \$120,000 Semex sire Mohnen South Dakota 402.

BASIN PAYWEIGHT 1682 - The sire of Lots 1, 2, and 3.
